The Hon. Cathy Woolard
President, Atlanta City Council
Atlanta, Georgia

Dear President Woolard:

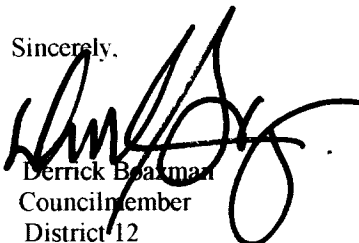

It is with a great deal of pleasure that Ms. Ivenue Love-Stanley is introduced and recommended to you herein as a candidate to fill the position of Land Developer with the Atlanta Urban Design.

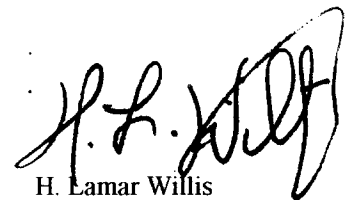

In addition to her development projects, Ms. Love-Stanley has extensive experience in architecture and is well known in Atlanta for her assistance in the creation of architectural designs and presentations to businesses, colleges and private property owners. However, her expertise does not end there, and certainly not her interest. As a visionary who is committed to the improvement and enhancement of the Atlanta community at large, she has made valuable contributions by providing her skills and knowledge to the City of Atlanta and the Atlanta Economic Development's Cascade/Mays revitalization Project. As an individual interested in community improvement, her memberships have included the Fulton County Development Advisory Committee, and she has served as a Trustee of the West View Neighborhood Housing Board for the City of Atlanta.

It is without any reservation whatsoever that this recommendation is given for Ms. Love-Stanley to fill this position, and it would definitely benefit the Atlanta Urban Design to have her on board. A copy of her resume is enclosed for your perusal.

Jim Maddox
Councilmember
District 11

Sincerely,

Derrick Boatman
Councilmember
District 12

H. Lamar Willis
Councilmember
Post 3 At-Large

Enclosure - 1.
